

Additional security measures we have added

Using the Wise Employment site as an example

Step 1:

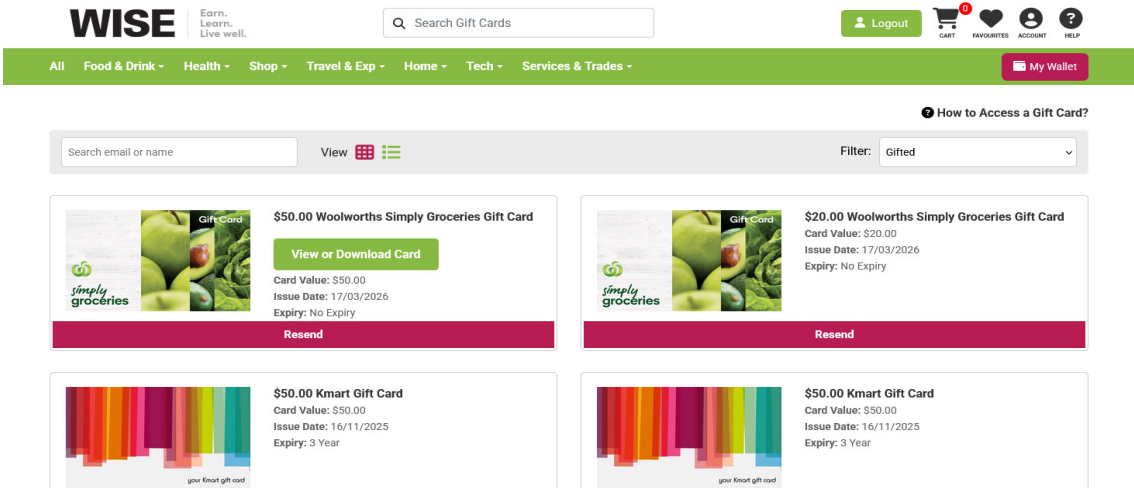

Access your wallet from the Wise Employment website

Step 2:

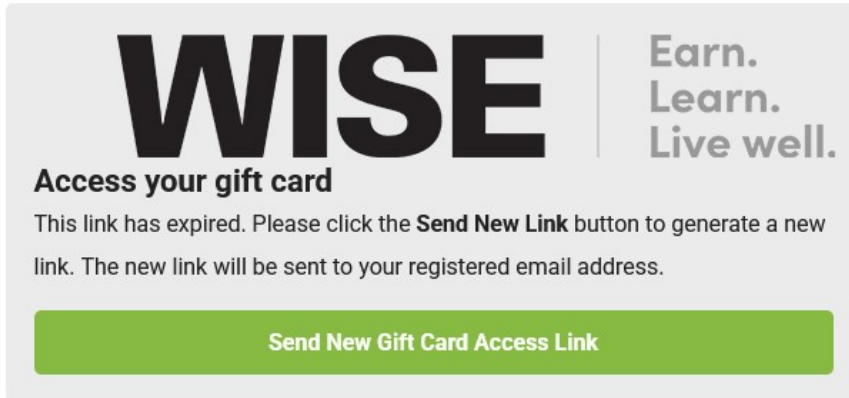

We have changed the coding to the existing links to the gift cards so they can no longer be accessed.

Click on View or Download only print gift card

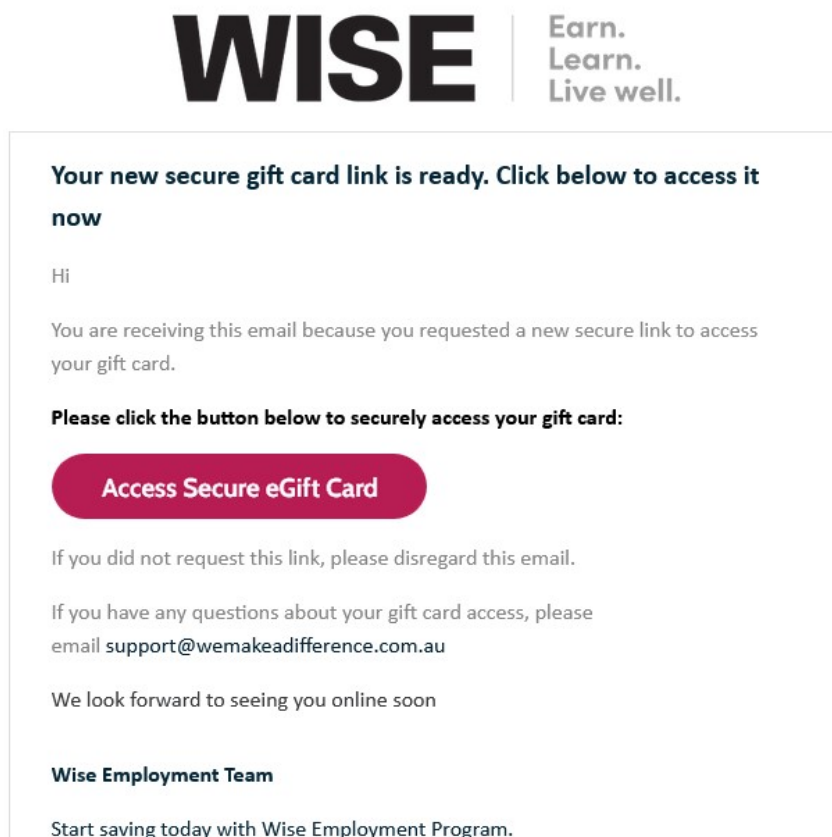

Step 3:

A message will appear asking to click on send new link

Step 4:

Customer will receive an email asking them to click on access secure gift card
